| Detective's Comments |
| <p>The reporting detective received BIA 2020-1757B which indicated a handgun was recovered from [REDACTED] during an arrest under RD# JD444054 and inventoried under 14815714. The BIA indicated a High Confidence Correlation link to the reporting detective's case under RD# JD320760 and the shell casing inventoried under 14748461. The reporting detective is requesting a direct comparison between the handgun recovered under inventory number 14815714 and the shell casing under 14748461. There was an arrest [REDACTED] for the recovered handgun and felony charges were approved. The reporting detective will interview [REDACTED] once the direct comparison is completed.</p> |
